Tower of Song

(Fsus) (F) (Fsus) (F)
Well my **(Fsus)** friends **(F)** are gone and my **(Fsus)** hair **(F)** is grey
I **(Fsus)** ache **(F)** in the places where I **(Fsus)** used **(F)** to play
And I'm **(Bb)** crazy for love but I'm not coming (**Fsus)** on **(F)**
I'm just **(C)** paying my rent every **(Bb)** day, in the tower of **(Fsus)** song **(F) (Fsus) (F)**

I **(Fsus)** said **(F)** to Hank Williams: How **(Fsus)** lonely **(F)** does it get?
(Fsus) (F) Hank Williams hasn't **(Fsus)** an **(F)** swered yet.
But I **(Bb)** hear him coughing all night **(Fsus)** long **(F)**
A **(C)** hundred floors above me, **(Bb)** in the tower of **(Fsus)** song **(F) (Fsus) (F)**

I was **(Fsus)** born **(F)** like this, I **(Fsus)** had **(F)** no choice.
I was **(Fsus)** born **(F)** with the gift of a **(Fsus)** gold **(F)** en voice.
And **(Bb)** twenty-seven angels from the great be **(Fsus)** yond **(F)**
They **(C)** tied me to this stage right (Bb) here,
in the tower of **(Fsus)** song **(F) (Fsus) (F)**

So you can **(Fsus)** stick **(F)** your little pins in that **(Fsus)** voo **(F)** -doo doll
I'm **(Fsus)** very **(F)** sorry, baby, doesn't **(Fsus)** look **(F)** like me at all
I'm **(Bb)** standing by the window where the light is **(Fsus)** strong **(F)**
They don't **(C)** let a woman kill you,
(Bb) not in the tower of **(Fsus)** song **(F) (Fsus) (F)**

Now you can **(Fsus)** say **(F)** that I've grown bitter,
but of **(Fsus)** this **(F)** you may be sure:
The **(Fsus)** rich **(F)** have got their channels in the **(Fsus)** bed **(F)** rooms of the poor
And **(Bb)** there's a mighty judgment coming but I may be **(Fsus)** wrong **(F)**
You (C) see, you hear these funny voices,
(Bb) in the tower of **(Fsus)** song **(F) (Fsus) (F)**

I **(Dm)** see you standing on the **(C)** other side
I **(Dm)** don't know how the river **(C)** got so wide
I **(Dm)** loved you, **(Bb)** baby, way back **(F)** when
And all the **(Dm)** bridges are burning that we might have **(C)** crossed
But I **(Dm)** feel so close to everything that we **(C)** lost
We'll **(Bb)** never have to lose it a **(C)** gain **(C+)**

I **(Fsus)** bid **(F)** you farewell, I don't know **(Fsus)** when **(F)** I'll be back
They're **(Fsus)** mov **(F)** ing us tomorrow to that **(Fsus)** tow **(F)** er down the track
But you'll be **(Bb)** hearing from me, baby long after I'm **(Fsus)** gone **(F)**
I'll be **(C)** speaking to you sweetly from a **(Bb)** window,
in the tower of **(Fsus)** song **(F) (Fsus) (F)**
