I'm So Lonesome I Could Cry by Hank Williams v2

Did you **(F)** hear that **(Am)** lonesome **(Dm)** whippoor **(F)** will

He **(F)** sounds too **(Am)** blue to **(F7*)** fly **(F7)**

The **(Bb)** midnight **(Bbm)** train is **(F)** whining **(Dm)** low

I'm so **(F)** lonesome **(C)** I could **(F)** cry **(F)(Am)(Dm) (F)(Am)(Dm)**

I've **(F)** never **(Am)** seen a **(Dm)** night so **(F)** long

When **(F)** time goes **(Am)** crawling **(F7*)** by **(F7)**

The **(Bb)** moon just **(Bbm)** went be **(F)** hind the **(Dm)** clouds

To **(F)** hide its **(C)** face and **(F)** cry **(F)(Am)(Dm) (F)(Am)(Dm)**

Did you **(F)** ever **(Am)** see a **(Dm)** robin **(F)** weep

When **(F)** leaves **(Am)** begin to **(F7*)** die? **(F7)**

That **(Bb)** means he's **(Bbm)** lost the **(F)** will to **(Dm)** live

I'm so **(F)** lonesome **(C)** I could **(F)** cry **(F)(Am)(Dm) (F)(Am)(Dm)**

The **(F)** silence **(Am)** of a **(Dm)** falling **(F)** star

Lights **(F)** up a **(Am)** purple **(F7*)** sky **(F7)**

And **(Bb)** as I **(Bbm)** wonder **(F)** where you **(Dm)** are

I'm so **(F)** lonesome **(C)** I could **(F)** cry **(F)(Am)(Dm) (F)(Am)(Dm) (F)**
