Moonglow: Alternate Chords

Moonglow: 1 of 1

1 It must have been Moonglow, Way up in the blue,
 It must have been Moonglow, That led me straight to you

2 I still hear you sayin' And I start to prayin'
 Dear one hold me fast,
 Oh Lord, please let this last,

Chorus We - - - - seemed to float right through the air,
 Heavenly songs seem to come from ev----- ery----where,

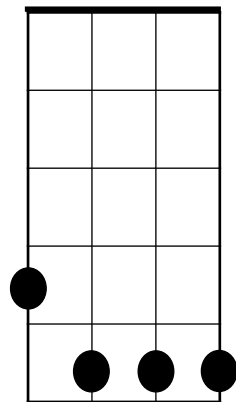

3 And now when there's Moonglow, Way up in the blue,
 I always remember, That Moonglow gave me you

Chorus We seem to float right through the air,
 Heavenly songs seemed to come from everywhere,

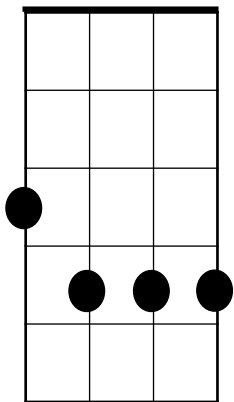

4 And now when there's Moonglow
 I always remember,
 That Moonglow gave me you,

That Moon-glow gave me you
