Dear Mr. Ian Chadwick,

Re: Freedom of Information Request No. A17-1626 Notice of Decision and Costs

In response to your request made under the *Municipal Freedom of Information and Protection of Privacy Act* (the Act) received on August 5th, 2016 I have provided you with a summary of what is available to you pursuant to the provisions of the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) for the requested records, as well as costs associated with fulfilling your request pursuant to Regulation 823 of the Act.

Records Requested: Emails to and from the clerk's and/or CAO's office including Sara Almas and John Brown, July 25th – August 3rd inclusive, with regard to "the direction provided to Mark Rodger with respect to his exploration of our potential share sale" including responses to/from the CAO, council, mayor, and deputy mayor to this request, and including correspondence about said responses not sent to general circulation.

Access Decision: Records No. 1-5 and No. 10-13 will be released to you in full. Records No. 6-9 will be released to you in part as per the exemptions listed on the Index form provided. These records remain confidential at this time and under the review of the Town's solicitor. In addition, should this preliminary information be released it could potentially affect the economic interests of the Town as it relates to the potential share sale of our hydro utility.

The requested records will be released to you as outlined above upon receipt of the payment identified on the enclosed invoice as per Regulation 823 of the Act. Please indicate your acceptance by mailing the requested fee to the address below or making arrangements to make payment in person. If the method of payment is by cheque or money order, it must be made payable to the Town of Collingwood.
